Hello, Mr Connor. I need your help; as you may remember, we spoke about the long period of unemployment and my complete lack of income.

Having been out of work for 5 years...I apply to jobs on line everyday, and it is obvious that something is not quite right . . resume? cover letter?

Respectfully and sincerely,
CLIENT NAME

SOLUTION: Client got hired within 30 days thanks to Joe's work

Hello, EVERYONE!! Just wanted to let you folks know that I GOT A JOB!!!! I interviewed last Tuesday (Dec 06) - had two other competitors. I sent the e-mail/resume/cover letter straight to the president/CEO on Friday, 12/02, got called in for interview on 12/06, and got the job offer on Thursday, 12/08.

I just want to say that I believed it was YOUR version of my resume and cover letter, Joe C, that got me the job . . . those were the docs they had in front of them at the time of the interview. Brief resume, but to the point; brief letter of interest, but to the point. No need to say that I will be dropping your name around. I WILL!!
