Hi Joe,

How are you? I'm very good. The good news is that I started a new job three days ago, I'm very busy.

Joe, it so great to wake up every morning and to go to work with a smile, GOD BLESS YOU.

I will provide any friend with your details, please tell me how I can help you, I really appreciate your help.

At the past three weeks I got more then 6 interviews it's was great and I really enjoyed each one of them.

Your help appreciated.

Dear CLIENT NAME: How is the job search coming along? Did the resume and cover letter I wrote for you result in more interviews? If so, how many? Please let me know how it's going when you get a chance.

Sincerely,
